Christmas Project Our Christmas project for this year is "Salt of the Earth". Last week we were blessed to hear from Lisa and Kemmel Dunham about their work with Health Talents. In the coming weeks we will be learning more about the Mayan people in Guatemala and their needs. Our focus will be to collect funds that will be used to provide life-sustaining medical care and spiritual healing to the Mayan people in the highlands of Guatemala and Clinica Ezell.

Christmas Project Materials Needed!

Please bring your empty **round** oatmeal, grits, or salt boxes to the Family Center and deposit in the box marked for them. We will need these for a project the children are making to collect money for "Salt of the Earth".
